Just Passing Through

2005-2004

Warwick Academy

117 Middle Road

Warwick PG01

Bermuda

Dear Reader,

Welcome to yet another valuable addition to our Year Book library.

For every graduating year, their edition is, of course, priceless ! In subsequent years, many memories will be evoked by the content of this volume. It is, indeed, special to be a graduating class of such an historic school. Only a privileged few can claim to be graduates of schools that originated as far back as 1662.

This particular Year Group, the Year 5 Graduating Class of 2004, have possibly seen more changes to the school than any other. There have been significant building developments, changes to the curriculum and even a change to the age of Graduation.

This group are the last to take their I/GCSE's at age 17 and the first to have the opportunity to study the International Baccalaureate at Warwick Academy.

Members of this Year Group and their teams have achieved many notable successes, some of which are contained in this book.

I thank them for their contribution to the development of the school and wish them all every success and happiness in the future, whether they remain in the school or not.

Keep it in a safe place ! Whatever you feel at present, you will value it in the future.

Enjoy !

Robert Lennox

Football Team Goes to Flordia

Florida Soccer Tour

The soccer tour took place between 24th and 30th October 2003. Twenty-seven boys were involved in this year's tour and they represented the school superbly. A 2-2 draw by the junior team early on Saturday morning against Titusville Shockwave got the trip off to a solid start. The senior team followed this game with a resounding 6-1 victory over Titusville Predators. Four victories against Maitland opposition rounded off a very successful trip. In between all the soccer, the boys managed to squeeze in trips to Islands of Adventure, Wet'n'Wild, the paintball arena, mini golf, go-carts and the movies: all this powered by all-you-can-eat buffets!

Under 13 Soccer Report

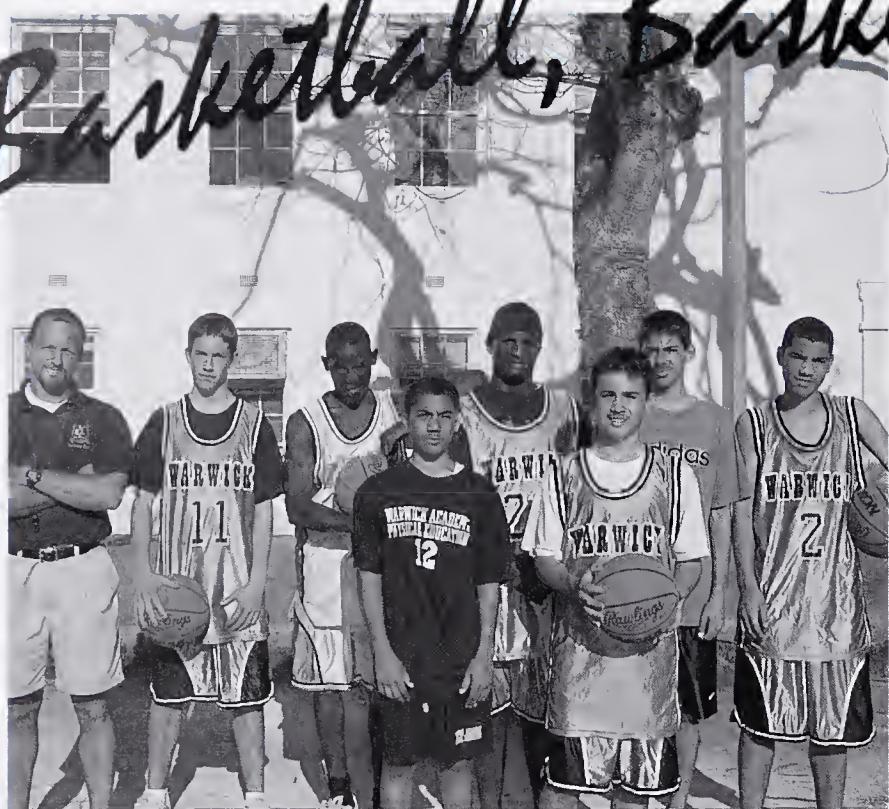

After winning their league involving Saltus, Sandys and Spice Valley the WA team were involved in national championship game against Dellwood. After falling behind 2-0 early on the boys showed tremendous spirit in coming back to win 3-2. Two goals from Travis Trott and one from Teniko Eve assured the victory. The teams top goal scorer for the season and MVP was Charlie Watson while the award for tremendous team spirit went to Quincy Glasford. This was truly a team effort and all the squad players must be congratulated on their contribution

DUKE OF FEBRUARY 4, 2004 EXPEDITION EDINBURGH

2003-04 has been another active one for the Duke of Edinburgh Award programme at Warwick Academy with students participating at Bronze, Silver and Gold levels.

The programme requires Bronze Award students to undertake four activities - a community service, a skill, a sport and a 2-day expedition. Silver Award holders complete the same activities to a more demanding level, and a 3-day expedition. Those gaining their Gold Award face a formidable challenge.

They must undertake at least 60 hours of community service; show improvement in a skill for a period of 12 months; participate and show improvement in a physical recreation; live away from home for at least five days undertaking a community residential project; and finally, complete a 4-day expedition or exploration outside Bermuda.

Silver Participants, prepare for their beauty sleep. Retiring for the night are Katrina Williams, Aruna Dismont, Rowena Smith, Sidley Carswell and Jessica Palmer

The Power *of* Partnership

Oceanographer or meteorologist?
Only time will tell.

There's nothing so powerful or as rewarding as **teamwork**. In providing Bermuda's energy, we give our young people the chance to plug in to the technology and the learning skills they need for the future. And through our community sponsorship programmes, we can assist the people whose knowledge and experience are the vital ingredients to making this **partnership** for the future work. At BELCO we know that supporting our young people is the best **investment** we can ever make.

Pond dipping and exploring ponds and
different habitats in Bermuda

Primary Three students always enjoy the
numerous field trips offered. It really provides
the children with a stimulating, educational
experience.

Primary 2

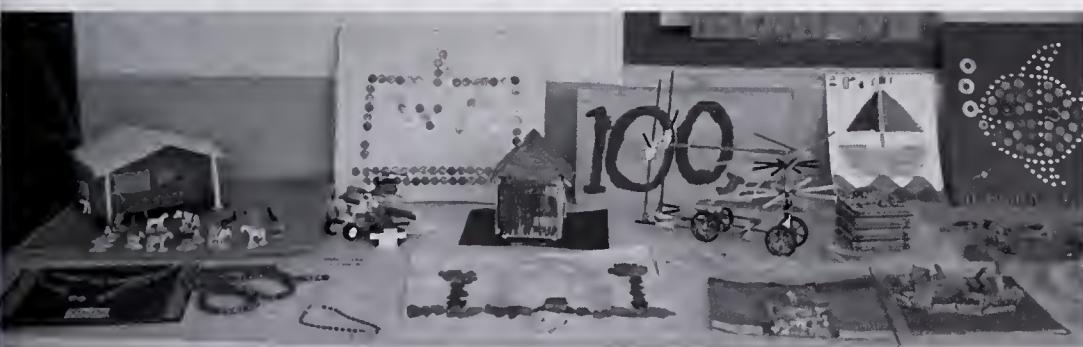

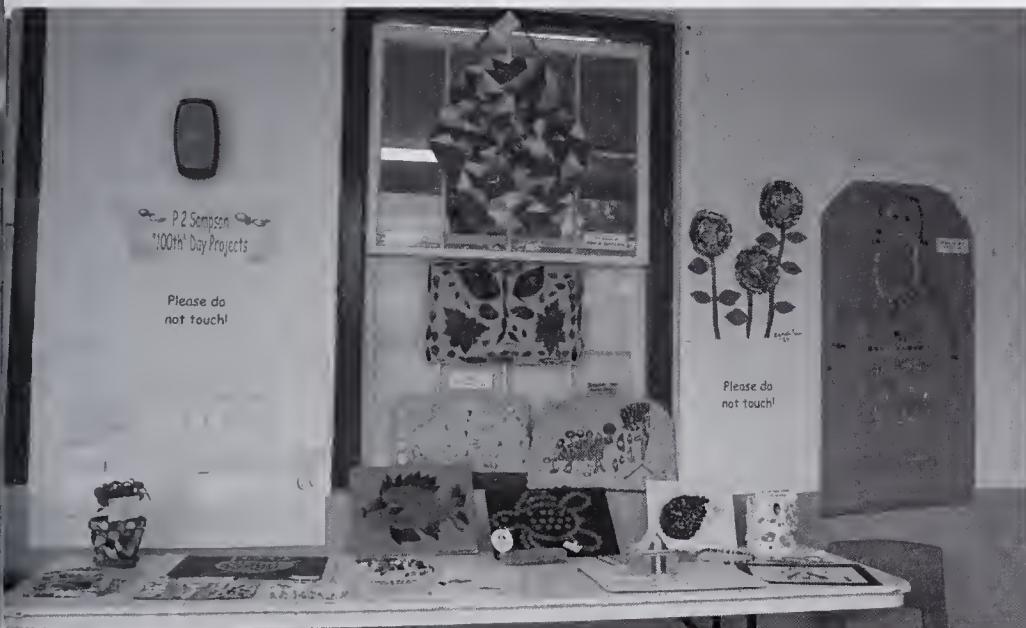

Celebrates the 100th Day of School

Mrs. Booth & Mrs. Sampson with two representatives from their classes, present Mrs. Wolfe with \$100 for Library books which the children collected by doing jobs at home.

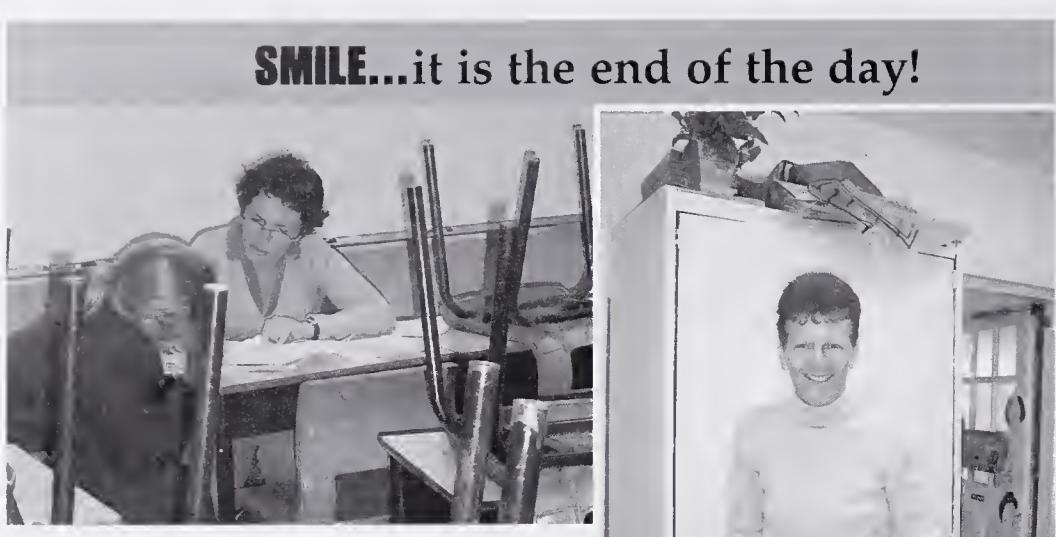

The children were given a project, to produce a piece of work using the theme of 100. Displays outside the classrooms show both ingenuity and creativeness

Children from both classes stand in front of the displays. The children took great pride in their efforts and were proud to show them off to all who visited.

The children watched a video linked with their science projects on 'extinction' whilst munching on 100 cookies between them!

SMILE...it is the end of the day!

Year 11 take a break for a group photo

SENIOR GEOGRAPHY FIELDWORK

November 2003

Horseshoe Bay – Bermuda Biological Station for Research

In November, for the first time, Warwick Academy students participated in a residential Geography fieldwork course at the Bermuda Biological Station for Research. Two groups attended with Mr. Fields, Mr. Dobson, and Ms. Bainbridge; a total of 60 Senior 5 and Year 11 students.

The reason for the fieldwork was to fulfill their GCSE Geography coursework requirement and we conducted our data collection at Horseshoe Bay. We tested a number of hypotheses on the physical processes affecting the coast of Bermuda. We produced beach profiles, compared wave energy at different locations, studied the sand dune vegetation and assessed the impact of Hurricane Fabian.

After collecting all the data we analysed it back at the Biostation working well into the night. All were in agreement that it was a great educational experience. In the following weeks all of the fieldwork was written up and sent to the UK... hopefully we will get great results.

Mr. Fields

We supply **knowledge**, products and services
to create **workplaces**
that **energize** and **inspire**
the people who work in them.

Wishing all the graduates the best of **SUCCESS**
wherever you work.

I wanna be ^{ooo}

an accountant, a doctor, healthy, a member of the British armed forces,
a lawyer, happy, a person with a career in design, the best I can be,
rich and live in a big house, someone who lives life to the fullest,
a professional drummer, an early-childhood teacher, a star
the owner of my own company, a highschool teacher, wealthy
a family practitioner, someone who travels the world, a singer,
a college graduate, someone who keeps their head held high no matter what,
a teacher at a Christian school, an actress, a graduate with an Art and Design degree,
an occupational therapist, an athlete in the Olympic Games, an architect,
the person that finds Nemo, an inspiration, a primary teacher,
someone who knows their purpose in life, a branch pilot,
a first-division rugby player, a sports doctor, a translator,
a mathematician, a Commonwealth Games winner
a humanitarian, a member of the Baseball Hall of Fame,
famous, someone who has fun

The graduating class
of 2004 wants to be
SUCCESSFUL

A note from the editor...

Things have been busy in the yearbook office this year- from rushing to meet deadlines, attempting to get baby photos from 5th years, to scrambling about, trying to find something to place in a 15 page gap. The yearbook committee has been working assiduously and although we've had our share of disagreements (how many times did the cover discussion come up?), we've managed to press on and create a yearbook worthy of commemorating the past school year.

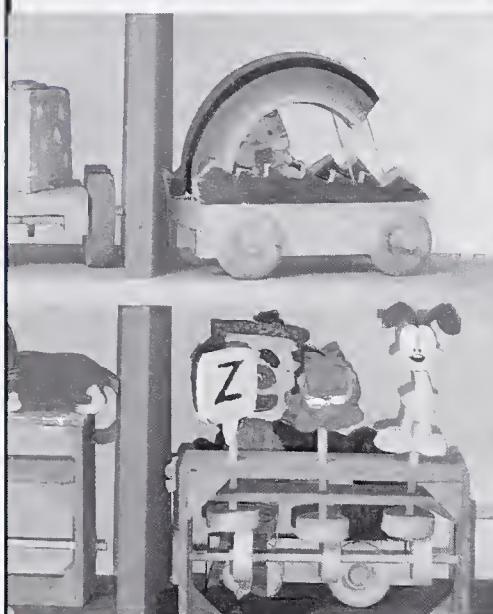

This book is more than just a few pages of photos, it's a collection of memories. We have all grown up in so many ways. None of us can claim to be who we were back in September, as a person or student body and it's guaranteed that not one of us will be the same a year from now. These yearbooks document each year in your life and hopefully you will cherish them and be able to reflect on your past; the jokes, the fun and the struggles of 2004.

On behalf of the yearbook committee, I'd like to extend my thanks to our gracious supervisors, Mrs. Nancy Steynor and Mrs. Cheri Hunter- without you, this book most certainly would not be a reality. Thanks also go out to the committee itself, teachers and students who have contributed photographs or information and to Mrs. Marshall for proofreading our work.

As we come to the end of the school year, I, along with the rest of the senior five classes, face our graduation from Warwick Academy. It was with dreams and goals that we made it this far and now that this chapter of our lives is nearing to an end, it's time that new dreams and goals arrive. I'd just like to take this time to bid the fifth years congratulations for making it through the school.

Always,

Carlita Lodge
